Are You A “Magnet” For Monkeys?

Learn How To Keep The Monkeys Off Your Back Forever!

This powerful workshop underscores the value of assigning, delegating, and controlling the “monkey’s” that dominate a manager’s time by partnering with employees for their “care and feeding.” It helps hopelessly overwhelmed managers deal productively with all the monkey business going on in their organization.

Workshop Agenda

- Definition of a “Monkey.”
- Who owns the “Monkey.”
- The vicious cycle.
- The solution.
- How to keep “Monkeys” on the proper backs.
- The rules of Monkey Management.
- Managing rather than doing.
- The Ultimate Conversion.

Immediate Relief From...

- ✓ Desks piled high with papers, voice-mails, and e-mails past the saturation point.
- ✓ Frustrated employees waiting for decisions and actions from the boss.
- ✓ Managers wondering why they hire anyone of delegation never works!
- ✓ Falling behind. Leaving no time for family and other interests.
- ✓ No time to plan your work or work your plan.

“When you speak our participants not only gain a wealth of knowledge, but they also have a great time. Your humorous delivery of much needed information makes a lasting impression.”
